HOMEWOODANDROSEHIRE.CO.UK

Welcome!

Homewood and Rose Wedding & Event Hire is the sister company of Independent Home Interiors Boutique - Homewood & Rose based in the seaside town of Lowestoft, Suffolk.

We supply wedding hire items across Norfolk & Suffolk to add the statement pieces and finishing touches to your perfect day.

Our story started in our boutique homeware store in Lowestoft, Suffolk, with a carefully curated range of handpicked accessories and one off bespoke restored & antique furniture pieces. We very quickly became a haven to home interior lovers - but also brides!

With Brides popping in regularly wanting to purchase or rent our pieces to be part of their wedding day, we realised just how important these statement pieces and finishing touches are on your wedding day, just as much as in your home.

And this was the creation of Homewood and Rose Wedding & Event Hire.

Still offering the same curated, handpicked selection of pieces, you can now hire almost everything you see in Homewood and Rose (and more!) for your special occasion / event. We look forward to working with you!
